Work Experience

Frontend Developer | Team Lead

April 2023

Current

ITSector (Banking – Millennium BCP & Activo Bank),
Portugal (Remote)

- Lead a frontend team with mentoring, code reviews, and day-to-day technical support.
- Design and ship scalable banking web applications from requirements to production.
- Define frontend architecture, development standards, and CI/CD quality practices.

Frontend Developer

January 2023

March 2023

NTT DATA (BMW Group Configurator), Portugal
(Remote)

- Built and maintained customer-facing apps for BMW Group, including the German-market vehicle configurator.
- Delivered features with a focus on performance, scalability, and Agile collaboration.
- Supported CI/CD pipelines, troubleshooting, and frontend architecture improvements.

Frontend Developer / Team Leader

May 2021

January 2023

Bryte Technologies GmbH i.G., Remote

- Built the Bryte platform from scratch with a scalable React and TypeScript architecture.
- Turned product and design requirements into responsive, high-performance UI.
- Owned core features, reusable components, and ongoing technical planning.

Frontend Developer / Team Leader

May 2020

April 2021

Tempos Brilhantes, Portugal

- Developed web and mobile interfaces for an online education platform.
- Led a team of six frontend developers, covering features, architecture, testing, and delivery.

Frontend Developer

Importance of Government and
Data Quality – MBCP

All certifications available on
LinkedIn

Ibox Web Solutions / Leilao 24, Portugal

January 2018

April 2019

- Built and maintained client web applications, including an automotive auction platform.
- Worked across the full development lifecycle, from requirements to support.

● Live projects

DevDrawer – dev-drawer.vercel.app

Full-stack app to visually plan, structure, and organize software projects.

useCall & useCallGraphQL

Typed React hooks for REST and GraphQL, with caching and error handling.

● Education

TESP – Web Development & Information Technologies

September 2017

June 2019

Escola Superior de Artes e Design, Portugal

ETEO – Multimedia and Software Technician

September 2014

June 2017

ETEO, Portugal
